A letter from Virgil Campbell to Karl Just written Nashville Ill. on July 18 contains the following information. The court House was closed at noon Saturday afternoon - however he located a "Miss Ellen Margaret Livesay who has a rich vein of lore. She is a retired school Teacher, 68 years of age, and was able to tell me some interesting information in regard to Thomas Wright Livesay. We established that John Parker Livesay was her great grandfather the same as he was ours. The following is the information:

1. Thomas Wright Livesay died at an early age of an injury obtained in the blacksmith shop.
2. The family consisted of two sons:

William Jackson Livesay
Thomas Wright Livesay Jr.

3. William Jackson Livesay had the following children:

Abraham Griffith was paid this day $3.34 for fifty-six hours of patrol duty, at the rate of 75¢ for twelve hours". [Patrol duty meant guarding prisoners convicted in the town court, to those sentenced to serve their time in Richmond. Guards were placed over them at Rocky mount as well as escorting them to Richmond where they were either arraigned before a higher court, or required to serve out their sentence imposed by the county court.

now if you understand this record you can make out your own papers now you can see what you have to do and then you can see what I have doing and look at the Dockets and File that has to be brought up and they have to be paid for - this business is no little trouble, P.S. now the atourney says the Claim is good I expect to file my Docket now soon and send it over to be acted upon by the Chancery Courts of England now if you all wish me to help the rest of you all I will do all I can for you all you may think this a little strange language this will cost money and time and I cant pay for all of the rest and then set back and let the money drop into there hands. and if you want me to go ahead with the rest of your Claims you will have to send the money to pay for the same. I will do all I can for you all P.S. I gave Lily to get my

0150 Father's family's claim through
now then I think I can get
the rest of your claims through
for a little less than half
if you will give me a little
say so about the case —
Answer me soon dont let
nun but yourself and Cousin
A.C. Livesey read this but
draw you a family tree
just like this and send to
the rest of the connections.
